

COMPANY PROFILE

As Germany's leading mobility service provider, Sixt is successfully expanding throughout Europe. Together with our licencees and partners, we are available to our customers at approx. 2,000 stations worldwide. Our long-term strategy is to cover all aspects of mobility by supplying innovative, universally useful and top-quality services.

In all our core business fields, we offer our customers current, top-quality services at excellent value for money. Our goal is to operate as a global player on the world's fastest-growing future market of mobility, and in this way to improve our market position. Our unique infrastructure as a station network operator with e-commerce-linked services enables us to pass on synergy advantages to our customers, giving us a special competitive edge. Our customers are our challenge. Their satisfaction is our goal. For their trust in us, we reward them with a strictly customer-centred approach, highly motivated staff and top performance.
