

## COMPANY PROFILE

Founded in 2017, NESR is one of the largest national oilfield services providers in the MENA and Asia Pacific regions. With over 3,200 employees, representing more than 40 nationalities in over 14 countries, the Company helps its customers unlock the full potential of their reservoirs by providing Production Services such as Cementing, Coiled Tubing, Filtration, Completions, Stimulation and Fracturing, and Nitrogen Services. The Company also helps its customers to access the reservoirs in a smarter and faster manner by providing Drilling and Evaluation services like Drilling Downhole Tools, Directional Drilling Fishing Tools, Testing Services, Wireline, Slickline, Fluids and Rig Services.
