5 Adjusted for €2.4 million in non-operating expenses arising from the earn-out obligation of kununu GmbH and the €7.1 million impairment of XING Events  
6 Due to changes in the IFRS guidance on accounting for purchase price obligations from earn-out arrangements arising from the acquisition of companies, earn-out payments (relating to kununu in this case) must be recognized under cash flows from operating activities. The effect is €-3.9 million. The cash flows from operating activities for the reporting period, excluding the non-operating kununu effect, thus amounted to €39.9 million.
