COMPANY PROFILE

VTG Aktiengesellschaft is one of Europe's leading wagon hire and rail logistics companies, with a fleet consisting of more than 80,000 railcars. We offer a full-range service, providing tank cars, intermodal wagons, standard freight wagons and sliding wall wagons. In addition to the hiring of wagons, the Group offers comprehensive multi-modal logistics services, mainly around rail transport, and global tank container transports.

With the combination of our three interlinked divisions Railcar, Rail Logistics and Tank Container Logistics, we provide a high-performance platform for international transport of freight. We have many years of experience and specific expertise, in particular in the transport of liquid and sensitive goods. Our customers include numerous well-known companies from almost every industrial sector. Via our subsidiaries and affiliates we operate in Europe, North America, Russia and Asia.
